DIPLOMA PROGRAMS WITH WORK EXPERIENCES

Working in partnership with a fully accredited local private technical college, ZenTec Learning is pleased to offer two college level career focussed programs. Students will enjoy working towards lucrative careers in business and computer related fields. Work experiences are built in each course, with opportunities for employment once the programs are successfully completed.

Program participants will be eligible for a range of support services including but not limited to accommodations, community orientation, personal well-being, transportation and academic studies. All support is offered on a fee for service basis.
