## **STUDENT PLACEMENT**

**We work with many educational institutions and school districts in Canada to assist with student placement in a broad range of education and training programs from Kindergarten to University level.**

**Our goal is to support parents, guardians and individuals in the application process leading to acceptance into a desired school and / or program.**

**Our staff will help you review the programs in a range of educational institutions so you can select the best learning environment for you or your child.**

**We will walk you through the application process and ensure that all documentation is gathered, completed and presented in a meaningful way to each institution of interest.**

**A member of our staff will ensure that documentation is presented in an attractive format and submitted in a timely manner to appropriate admission department authorities.**

**Our staff will offer helpful suggestions for increasing the strength of submitted supplication packages with the goal of increasing the likelihood of acceptance in a desired institution.**

**We will work with the applicants so each is fully prepared for required interviews, presentations or meetings with admissions authorities.**

**Our main goal is to ensure the success of each applicant / client in their applications to private schools, public school boards, post-secondary institutions, training programs, work experiences and employment.**

**All support provided by our staff are offered on a fee for service basis. Feel free to contact Mr. Rick White - CEO and Founding President of ZenTec Learning to discuss your needs.**
